# of Generations	10	20	30	40	50	60	70	80	90	100
R'	4.09	6	6.85	7.17	7.51	7.52	7.48	7.52	7.51	7.54
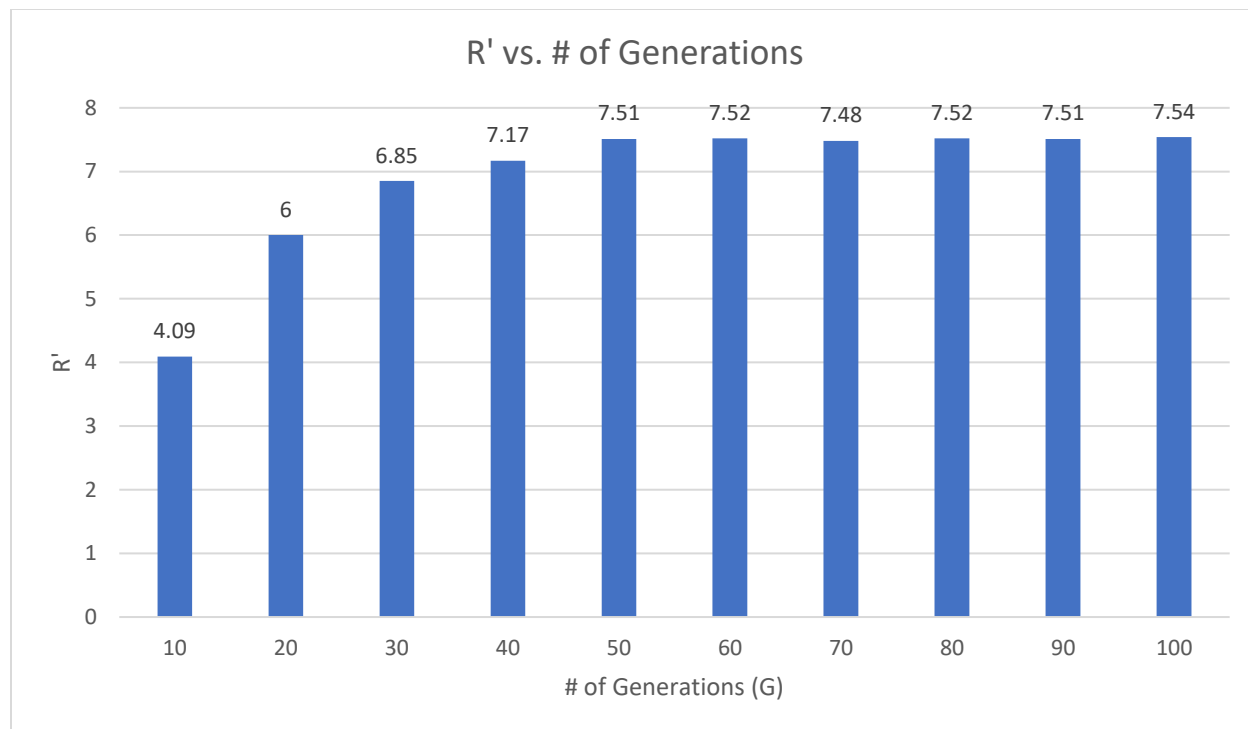

It can be observed that as the number of generations increases, it will increase the R', until a certain point where it plateaus and does not increase any further.
